

# THREE MILE YARD WORKS

## SCHOOLS OUT FOR SUMMER!

Which means I'm free to help you with all your yard-work this lake season and beyond! Let me do the upkeep of your yard and you can just enjoy Three Mile Lake. I'm a new resident and ready to show you that not all kids in my generation just sit around playing video games all day!

## QUALITY WORK

I'm committed to your satisfaction with my work. I've been mowing since I could barely reach the pedals on the tractor. If I every miss anything or your not happy –let me know right away and I will make it right!
