

Three Mile Lake Association

PO Box 482
Paw Paw MI 49079

June, 2016

To Three Mile Lake owners,

Enclosed please find the notice of our annual meeting and picnic that is being held on Saturday, July 16th, at Bill & Doris Stambaugh's house, 61279 41st Street at 5 pm. The picnic is open to all families on the lake and we hope you can all come out to meet your neighbors on the lake and enjoy the evening.

Once again we will have our 4th of July boat parade on Sunday July 3rd. We scheduled it for 7:30 after the time when skiers and tubers should be off the lake. You are welcome to decorate your boat and join the parade as it goes around.

We also wanted to address the following comments that were received on several of the member forms this year:

There are concerns about dogs that have been allowed to run loose in the area and have scared some of the residents. We want you to know Michigan does have a leash law and we have enclosed a copy of it for your information. Please try to ensure your dogs are properly controlled so we have a safe environment for your neighbors and children who walk and bike in the area and so we are all able to enjoy being on and around the lake.

Another concern we received was about the speed of cars on the road, especially on 41st Street. We know it's not just lake owners, but please drive safely and encourage your guests to adhere to the posted speed limits. During the summer it's very easy to get distracted with activity on the lake and we would hate to see somebody get hurt while crossing or walking on the road because cars are traveling too fast.

Also, thanks to all the members that sent their member dues in this year. For those who haven't sent in your member form, a 2016 member form is enclosed. If you want to receive and be included in the Three Mile Lake Owner Directory, please send in the enclosed form.

We hope everyone has a safe and great summer and you all enjoy life at the lake.

Summary:

This section of the Dog Law of 1919 provides that any dog over six months must be registered and wear a collar at all times. It also mandates that female dogs in heat must be kept on their owners' premises or restrained on a leash. The overall leash requirement is less clear, stating that it is unlawful for an owner to allow a dog " to stray unless held properly in leash." This does appear to mandate a statewide leash requirement for dogs, however.

Statute Text

Sec. 2. It shall be unlawful for any person to own any dog 6 months old or over, unless the dog is licensed as hereinafter provided, or to own any dog 6 months old or over that does not at all times wear a collar with a tag approved by the director of agriculture, attached as hereinafter provided, except when engaged in lawful hunting accompanied by its owner or custodian; or for any owner of any female dog to permit the female dog to go beyond the premises of such owner when she is in heat, unless the female dog is held properly in leash; or for any person except the owner or authorized agent, to remove any license tag from a dog; or for any owner to allow any dog, except working dogs such as leader dogs, guard dogs, farm dogs, hunting dogs, and other such dogs, when accompanied by their owner or his authorized agent, while actively engaged in activities for which such dogs are trained, to stray unless held properly in leash.
